

Town of Pompey Swim Program

The Town of Pompey offers a swim program for children during the summer months. The **swim program** is offered free of charge to all the town of Pompey residents at the Cazenovia College Natatorium. Children outside of our town may take lessons for a fee. Classes are held every morning, Monday-Friday. **DEADLINE FOR REGISTRATION IS JUNE 5, 2009.** For more information and to download a registration form, please go to the Town's website, or pick one up at the town hall.

I am very proud to say our swim program is very successful and we service approximately 300-350 children each summer, which is a testimony to that. It also allows the town to have employment for some of our own teens who have the proper qualifications.

This year with the national economic struggles facing all of us, I decided to reassess our programs. I found that the dwindling number of participants in our "Activity" Program, along with rising costs of the park fees, manpower for staff, and other expenses made it impossible to continue. I presented some facts to the town board and they agreed. Unfortunately we will no longer have that program, but it will allow me to concentrate more on the swim program.

See you at the Pool!
