

WEBSITE INFORMATION NEEDED

In an effort to keep our Town of Pompey website fresh and exciting, we are once again submitting a request for town reporters and picture takers. The following areas are in need of assistance:

Our Veterans Page - Military men & women from Pompey and surrounding areas. — Pictures of The Week — Kids Korner - children's story page, highlighting area authors and fun things to do. — Noteworthy Accomplishments Section - a dedicated page for our area residents to exchange praise for a loved one's accomplishments. — Discussion pages - a section to exchange views currently facing Pompey residents. —Hometown News page - place your announcements of activities, movies, plays, sports, etc.

Suggestions for what you would like to see included within the website are always welcome. Please send email to sue@andrewsassociates.org or call 315-677-9951 with information.
