Fabius-Pompey School Site of 2nd Annual Bread for Schools Run

Your neighbors in Fabius and Pompey are gearing up for the 2nd Annual Bread for Schools Run. Committee members have been meeting with **Race Captain Larry Carr** to make plans for this year's road race to be held Columbus Day weekend October 10th, 2010. In addition to the Certified Half Marathon and 5K race that were so successful last year, organizers plan to Fun Run with a distance of just about a mile. The Half Marathon course starts at the high school and will wind through areas of both Fabius and Pompey.

The inaugural run hosted over 300 participants representing our Fabius-Pompey communities as well as all over the United States and raised over \$10,000.00 for schools locally and as far away as Colorado. **Runners pay a registration fee that will in part benefit the school of their choice. Angel Runners also participate without running. Their entire registration fee benefiting a school.**

Because the race was so well received last year by the New York running community, Captain Larry Carr has been told to expect at least twice as many participants.

The run was conceived by Jerry Antil, a member of the Fabius Central School Basketball team 1956-57. During the 1956/57 season they had achieved a "David and Goliath" kind of championship status in tournament play and with local media. The run committee is comprised of F-P Alumni from that team, others representing many years of F-P history and community members.
