Contest submittal process

1. Adam sends Veronica content for website contest, email copy to ECC Chair
2. Veronica posts content (as long as it's is approved by Town and Veronica has received everything she needs)
3. Send a quick text to Veronica to be sure that she received the materials, especially when there are attachments that may or may not go through.
4. Contest submissions currently go to Town GMAIL account, which is really not monitored because it's used mostly for GOOGLE CALENDAR. Official town emails are the ones that look like this: name/title@townofpompey.org. So when Veronica knows that there is a contest going on and the deadline for submissions is happening, Veronica checks the GMAIL account. She has access to it for her needs with GOOGLE DRIVE for other Town business.
5. As the entries come in, Veronica downloads the images and gets them to Adam. Usually by GOOGLE DRIVE link.
5. Depending on direction from Adam, Veronica may upload all the images to the website so community can see all the entries.
6. Voting then happens, and Adam lets Veronica know the winners and she announces on website.

Chapter 21 of e-code (<https://ecode360.com/12886610>)

When the Town Planning Board refers any proposed action or matter to the Onondaga County Planning Board pursuant to § 239-m of the General Municipal Law, or when a proposed action or matter does not require § 239-m referral but does require the Town Planning Board to conduct SEQR review, the **Town Planning Board shall refer the same proposed action or matter to the Commission for review and comment.** The Commission shall recommend approval, modification, or disapproval of the proposed action or matter or report that the proposed action or matter has no significant environmental impact on the Town of Pompey.

(2)

The Commission shall have 30 days after receipt of a full statement of such proposed action or matter, or such longer period as may have been agreed upon by the Commission and the Town Planning Board, to report its recommendations to the Town Planning Board, accompanied by a statement of the reasons for such recommendations. If the Commission fails to report within such period, the Town Planning

Board may take final action on the proposed action or matter without such report, subject to the provisions of Subsection G(3) of this section.
