Project Updates

- No news on web page
- Earth Day – Martha's report (email) read by Kathy with updates on Earth Day
- Discussion about food trucks
- Paulie sending info to Adam in regards to the flyer
- Adam – battery recycling at Earth Day / donating pollinator seeds and wife Heather is hoping to attend Earth Day (DEC Officer)
- Stan – Radon awareness at Earth Day (Onondaga Co Health Dept)
- Phil – Bluebird house (donated by Marth's husband) raffled off (community involvement) along with a round of golf from Stan (Pompey Club)

- Adam – How to improve community engagement / connect it to the Earth Day raffle (survey) What information should we collect from the public?

- Seasonal Contest – no snow but we are optimistic. Adam will update flyer and send it to the group.
- Phil – Excel spreadsheet (keeping track of ideas) No new ideas
- Community Engagement – How to improve? How can the ECC get the pulse of Pompey in regards to environmental issues?
- Connect to the town’s Facebook page. Focus on environmental issues to get feedback.
Check with Mark to see where we can go with these ideas?
